

BUBBLE CHANDELIER SERIES

Metal Hardware Options

Option 1: Polished Nickel

Option 2: Satin Brass

The Bubble Chandeliers are available in two standard metal hardware options: Polished Nickel (Option 1) or Satin Brass (Option 2). The components are custom machined milled from solid brass. Custom metal finishes are available upon request.

Leather

The Bubble Chandeliers can be specially customized to fit any interior color scheme. The standard decorative coiling is Natural Cotton Cord. Leather upgrades are available in 7 standard colors: White, Natural, Grey, Henna, Dark Brown, Iris Blue and Black. Additionally, 18 custom leather color options are available through special order.

Note on leather coiling: As a natural product, leather is prone to some variations in color, texture and shade that may differ from the samples shown.

BUBBLE CHANDELIER SERIES

Gilded Finishes on Glass Globes

X-Large Bubble Chandelier with 24k Gold Leafing,
Satin Brass and Black Leather Cord coiling.

Large Bubble Chandelier with Silver Leafing,
Polished Nickel and Natural Leather Cord coiling.

Any Bubble Chandelier can be customized with 24k Gold or Silver Leafing. Genuine gold or silver leaf is expertly applied by hand onto the surface of each glass globe. Variations in composition and coverage will occur throughout the light fixture. Upgrade fees apply for gilded finishes per globe depending on globe size. All glass globes or only a specific amount of globes can be gilded depending on desired effect. Please inquire the studio for current pricing/availability.

Opalescent on Glass Globes

X-Large Bubble Chandelier with Opalescent glass,
Polished Nickel and Black Leather Cord coiling.

In addition to the standard clear mouth blown glass, opalescent glass globes are also available upon request. Upgrade fees apply for Opalescent finishes per globe depending on globe size. Please inquire the studio for current pricing/availability.
